Calendar

12 Housing			

List

○

The home page is a calendar with all the dead lines on it
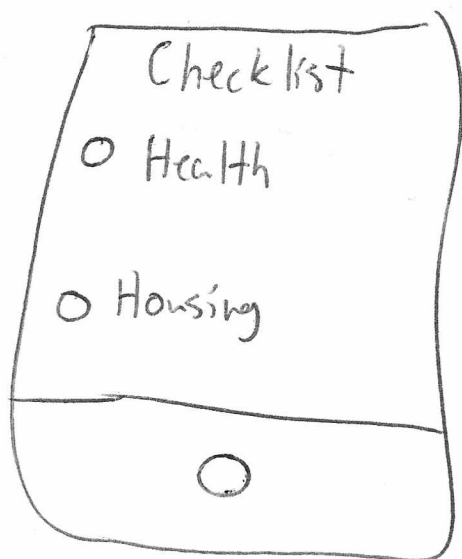

Housing

upload [+]

status: Not sent

○

When the user hits one of the deadline links, the app takes them to a place where they can upload the essential documents and check the document status.
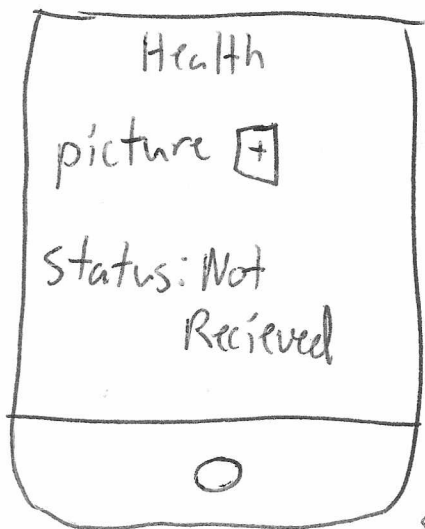

Calendar

12			

○

When a document is recieved, the deadline is removed from the calendar.

Mark Soehner   Sketch 2

Checklist
O Health

O Housing
O

The home page is a checklist were the user can see all of their deadlines.

Health
picture ⊞

Status: Not
      Recieved
O

When the user clicks on an item on the checklist, the app takes them to a screen were the user can take a photo of a document and have it automatically convert itself into a format it can use. The user can also check the status of the document.

Checklist
☑ Health

O Housing
O
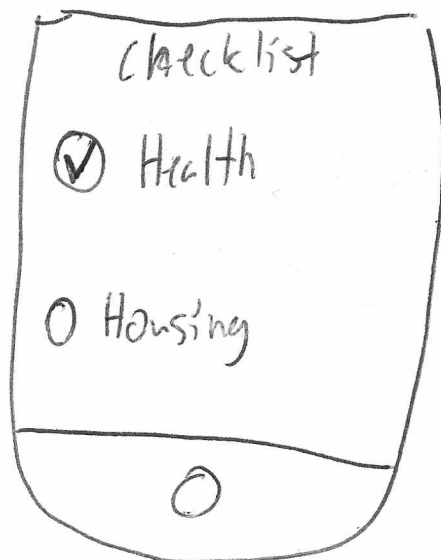

When the document is recieved, the item is checked off of the home page.

Mark Soehner   Sketch 3

Health
upload ☐
status: Not
       Recieved

The homepage is the deadline that happens the earliest. From this screen the user can upload the essential document and check its status.

Housing
upload ☐
status: Not
       Recieved
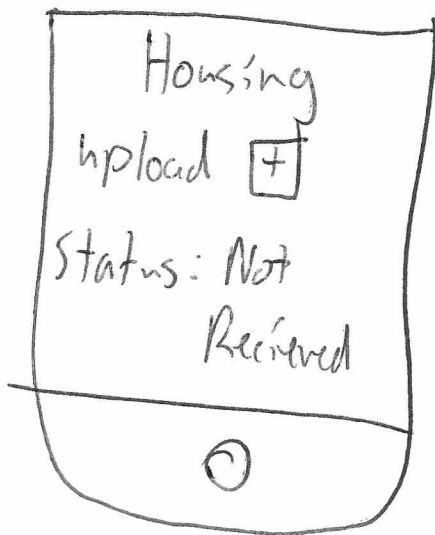

When the user completes a task, that task is removed and the task with the closest deadline takes its place on the home page.

DS Doc.
    Storage
    Application

2020 Grad STTC
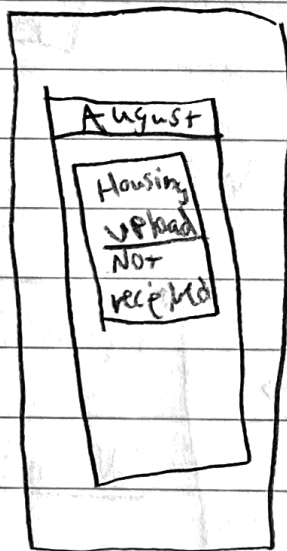

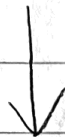

- Loading screen upon opening app, complete with 'DS' logo.

≡ Doc Storage
Welcome back, User!
- You have _ new notifications
- You have _ new events

- Home screen is personalized tabloid, greeting user & presenting a 'week in review' that shows upcoming events

≡ My Profile | DS
My Campus
Calender
Week in R.
Settings
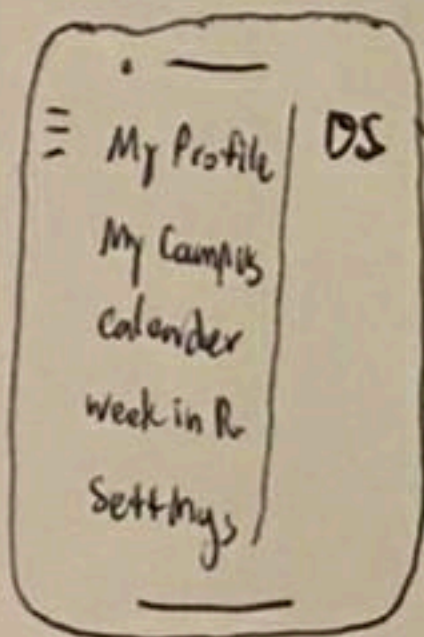

- Menu interface aids users in navigating the app and personalizing it to their liking.

MY CAMPUS
- You have not linked your University to DS.

Please log into your School's portal.
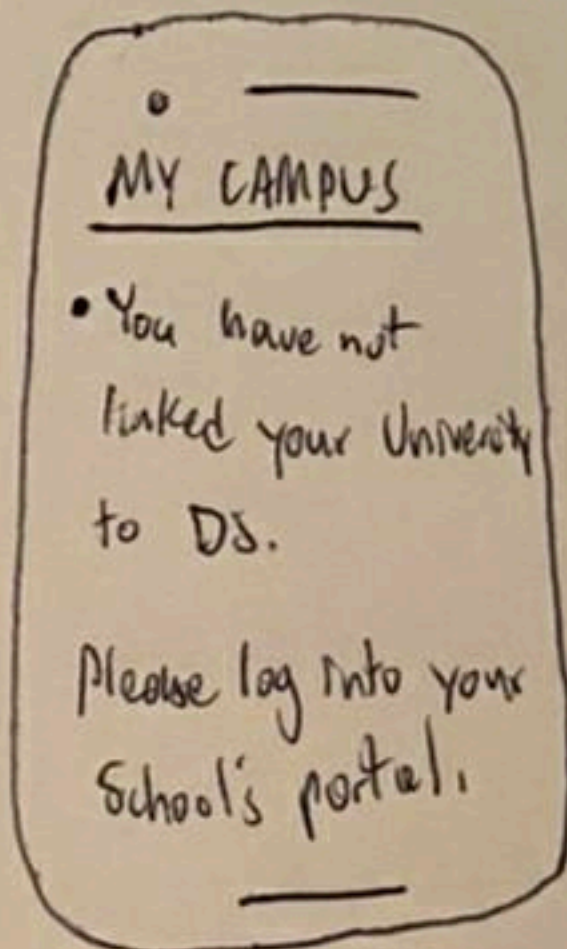

- Users manually connect their School, DS being campatible with 1,400+ accredited Universities in the United States.

My Campus
University of SC
(USC)

To DO:
-Admissions
-Housing
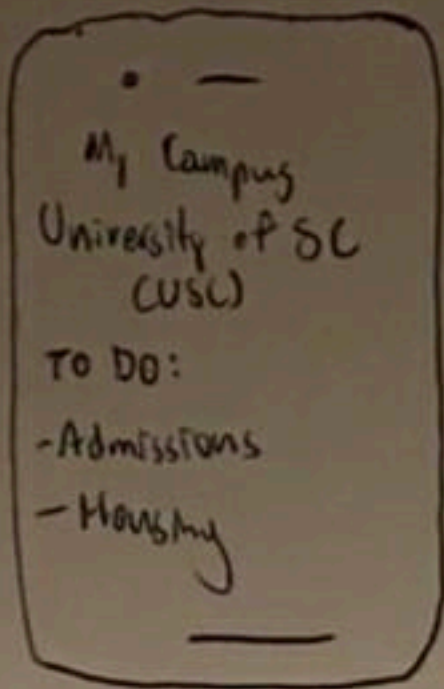

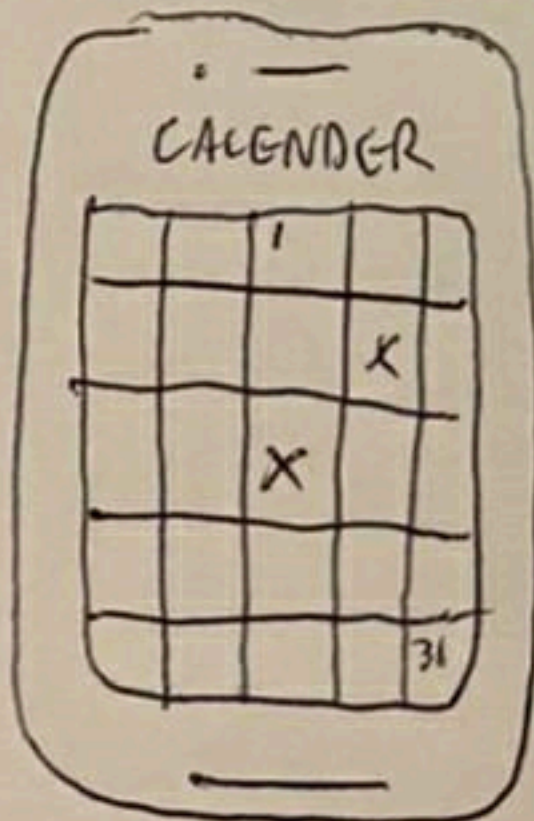

- Upon linking one's school w/ their DS, the campus checklists are copied, allowing users to upload files via DS and sync automatically to the school webpage.
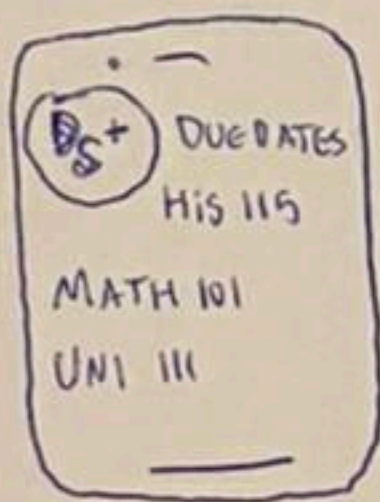

ADMISSIONS
• SAT score ☑
• Act score ☑
• GPA ☑
• 3 recommendation ☑
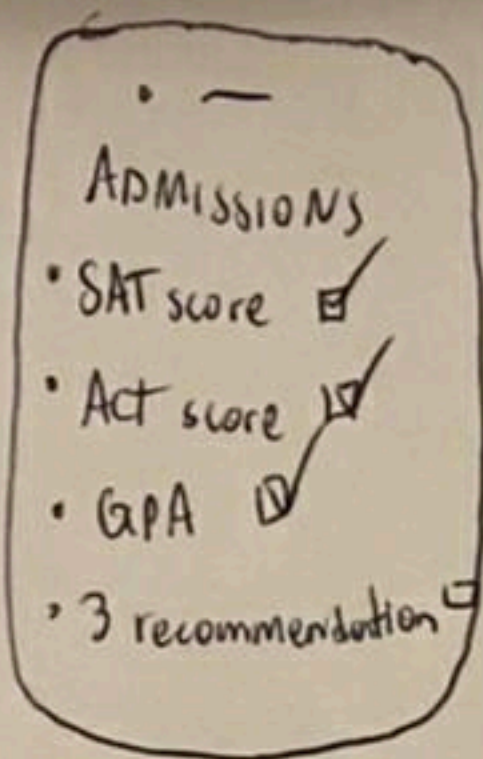

- Requirements already automatically check off if uploaded and processed, synching to the school, various portals automatically.
